Listing your Business Hours is more important than you may think! Disclosing your hours of availability lets your potential business partners and customers know when you will open for business and/or available by Phone, Email and IM. Setting this expectation of availability will likely curb customer frustrations when they cannot reach you during hours not disclosed here.

A picture says a thousand

words. We've added the ability to upload your favorite pictures to your TwitReferral page. The pictures can be a tour of your facility, key members of your team or group or featured products, services or dishes. Either way, adding pictures to your TwitReferral page adds greater possibility for interaction by potential customers and business partners.
